## ANNUAL MEMBERSHIPS

Come, explore the magnificence of the Chesapeake Bay at our 610 acre waterfront campus of native watershed habitats, surrounded by the waters of Hog Bay, Prospect Bay, Marshy Creek and Cabin Creek. Five miles of hiking trails are dotted with educational signage, observation towers, and blinds. Established canoe/kayak trails bring visitors upclose to wildlife.

Over 200 species of birds stop here annually. Demonstration gardens inspire visitors to restore backyard, school and work habitats to benefit the bay and native wildlife. Did you know your membership supports our programs of education, stewardship, research and restoration to benefit the Chesapeake Bay?

Membership provides free, year-round admission, free canoe and kayak rentals, discounts on programs, a subscription to our newsletter and an enlightening experience with each visit! Enjoy.

Name: \_\_\_\_\_

Address: \_\_\_\_\_  
\_\_\_\_\_

Phone: \_\_\_\_\_

E-Mail: \_\_\_\_\_

Other than your initial membership package, would you like us to send correspondence sent by e-mail?  Yes  No

Enclosed is my check for a \_\_\_\_\_ membership.  
(Please make checks payable to: Wildfowl Trust of North America, Inc.)

Please charge my credit card:  Visa  Mastercard  Discover

Account Number: \_\_\_\_\_

Expiration Date: \_\_\_\_\_
